

VANITY BAR
ML8 SERIES - LED INTEGRATED

PRODUCT DESCRIPTION:

LED Vanity Bar provides long-lasting, even illumination for both residential and commercial property applications. Designed in 2ft, the Vanity Bar is constructed with a high transmission glass diffuser and is available in nickel, white, or dark bronze finish. This integrated LED Vanity Bar solution offers long life, high lumen maintenance, and dimmable operation for residential applications that exceed those of a traditional bulb fixture.

FEATURES:

- ≥80 CRI
- Triac dimming to 10%
- Five Year limited warranty
- Power Factor: ≥0.9
- L70 lumen maintenance of 50,000 hours
- Suitable for damp locations

CONSTRUCTIONS:

- Steel Construction
- Powder coated finish
- Even light distribution
