

# TWINKO Solar Light Tower

## APPLICATIONS

Unlike other construction site light towers, TWINKO has removable double mast heads for storage. SOLTECH provides solar light fixtures for every application. At 16 feet high, TWINKO creates a wider illumination area that is ideal for parking lots, construction sites, mining camps, events, roadwork, and more.

## DESCRIPTION

TWINKO mobile solar light tower provides versatile temporary lighting. It's ideal for construction sites, natural disasters, and mining operations. The double heads can be assembled with SUNLIKE 20W/30W and SUNLIKE PRO 30W. TWINKO light tower can be easily transported from location to location.
